## About the Area 4 Democratic Committee

The Area 4 Democratic Committee represents and serves the Democratic constituents of Collegeville, Limerick, Lower Providence, Royersford, Skippack, Trappe, Upper Providence, and Worcester. In those municipalities, we work at the polls on election day, campaign for all candidates from State Representative to President of the United States, distribute communications and generally help Democrats get elected to office throughout the area.

As you can imagine, we are a volunteer organization, and to do the work that we need to do on the ground requires resources, both human and financial. This wine tasting is our main fundraising event of the year where we will raise funds to do targeted mailings for the full slate of candidates, produce and distribute our newsletter, and contribute funds to candidates running for office in Harrisburg and Washington.

This year, we need to make sure we do everything possible to elect Dan Onorato as Governor, Joe Sestak to the US Senate as well as Mannan Trivedi (6<sup>th</sup>) and Brian Lentz (7<sup>th</sup>) to the US Congress. In addition there are State Representative candidates, Andrea Baptiste (150<sup>th</sup>), Mark Painter (146<sup>th</sup>) and Bob Dodge (147<sup>th</sup>). Finally, we must defend and reelect State Representatives Paul Drucker (157<sup>th</sup>), and Matt Bradford (70<sup>th</sup>).

**We must not give the keys back to the people who drove us into this ditch!!!**

Thank you for attending and supporting this very important event for Area 4. We have helped to build a stronger Democratic presence in Area 4. We have come a long way in the last few years, and we have more work to do. With your help, we can continue the important work and growth of our Democratic efforts toward election day in November.
