This is a great opportunity to meet the other Young Dems in the area in a casual, non-political setting.

The picnic is being held at the home of MCYD Vice Chair John Fennell. Refreshments will be served. Proceeds will go towards helping the local candidates in the fall election.

Mark your calendar to join in kicking off the march to November and victory. To RSVP or find out more details, visit the “Montgomery County Young Dems” on Facebook.

The Young Democrats are organized groups of Democrats age 35 and younger who aid in local, state and national political campaigns and energize the youth vote.

Hosted by the Montgomery County Young Democrats, in partnership with the Young Democrats of Chester and Delaware counties.
