

Dear Friends:

It is our pleasure to invite you to a Meeting and Fundraiser for another dear Friend, **Ruth Damsker**, who is running for the State Senate in the 12th District.

We cannot say enough good things about Ruth. We have known Ruth for over ten years, as an outstanding County Commissioner in Montgomery County and as a close personal friend. In that time we have come to know Ruth's passion for good government and for the welfare of *all* the people of the County. As the only Commissioner and then as a private citizen, Ruth stood up for senior citizens, as evidenced by her vigor in advocating for high quality services and supports for people on fixed incomes and needing assisted living level of care. When others were silent, Ruth has been a strong voice for people with disabilities in Harrisburg and Washington. In the growth of and support for business, Ruth has been a leader. On environmental issues and open space, we have only to look at the results of Ruth's work on walking trails all over Montgomery County.

Come and meet Ruth and share your ideas with her at our home on:
